A photograph of the exterior of Downey Senior High School. The building is a light-colored, modern structure with a prominent overhang. Large, dark, three-dimensional letters spell out "Downey Senior High School" across the upper part of the overhang. To the right, a balcony with a metal railing is visible. Below the overhang, a set of stairs with a metal railing leads down. A large, cylindrical column supports the overhang on the right side. The overall tone is a muted, slightly desaturated color.

BACK BY POPULAR DEMAND . . .

Little Tommy Hoghkirk prays for the Volsungs to come out soon.

Students dress up for the first day of school.

SCHOOL IS BACK!!!

After a torturous three months away from their beloved DHS, students joyfully pranced into the library to register for this year. They once again were reunited with their devoted friends and started the new school year in the usual way- going to the football games. But the games were not the exciting part; it was really going to McDonald's afterwards with the entire gang that really was the foundation of the rapid social life at DHS. After McDonald's, the individual could rush off to the multitude of outrageous parties, drive over to Golf-N-Stuff and participate in the thriving social scene located there, or maybe he or she could cruise Downey's streets, wandering through the intoxicating suburban atmosphere with its dazzling array of bright lights and fast action. The inflamed night life of DHS students is not the only aspect of the students' lives; the scholar is also required to stir in all of us, and it does so with great vitality. It is truly heartwarming to see students who take classes, such as Yearbook, only for the intellectual stimulation, and not for the graduation requirements. It is our extreme pleasure to have captured, with the help of our highly skilled photographers, this wondrous enthusiasm in our annual issue of the Volsung, and we now present it to you for your enjoyment.

David Attyah clears his locker for the Volsung.

Donny thinks he's back by popular demand.

Janette de Joya anticipates the long line for Volsung sales.

Not too impressive, Bif.

"No more bad jokes!"

Ann makes like a fountain.

CORONATION BALL

THE COURT AND THEIR DATES

The mood for the Coronation Ball of November 5, 1983 was set as the students of D.H.S. arrived at The Proud Bird in a variety of luxurious cars. Tuxedos and formal gowns filled the ballroom as the evening progressed. The dining, the dancing, and the crowning of the court, is what made the Coronation Ball of 1983 a night to remember.

Whiff,

Hello Baby, How's it goin? Pretty good over here!
Well, This year went by so fast I can't believe it.
We had a lot of good Times this year. or what?
Starting With Cushman's class. We use to get
so ~~lame~~ with Bianca and Ron and Dawn
King. Remember? That was so fun! That's when
we got to Talking again. That was so bitchin!
I missed you for a year that we were out
of Touch. I was so glad when we talked again.
That'll never happen again. I couldn't handle
that all over. Getting Back to the Subject: Then
Vollyball with Mrs. Davis. That was a Blast!
Before that, was that night at Soldano's. Remember?
I'll Remember that for the rest of my years.
We went through a lot of hard times in between
there. And (Take a look at us now.) We've made our
Relationship even better than ever. I'm glad it's final
this way. I remember that time you told those
cards so I could get Soldano 2nd period. We
had a good Time in there. Always copyng Debbie and
Talking all the Time! Remember when ~~we were~~
~~and~~ and get ~~at~~ every mornin'? That
was fun! We got ~~when~~ when we ~~the~~ the
EVERCLEAR that Time. Shit, Gamboa turned all

fun with you in those classes. You really
MADE my year this year by just being around
me. It was great! You know how to make
me smile at all times. Also, I couldn't forget
the V.H. Concert. (You got backstage, oh well?) That
was soo cool when I seen you there that
Night. That was fun! We seen Alex & Michael. Then
you got us up to that hotel. It was rad.
Now see, if you weren't there, none of that
would've happened! My Birthday was soo
cool! At the Tupac ~~concert~~ and The Limo!
Remember!? That was a killer ~~concert~~
You got to shoot the "I" when we spelled

SCIENCE & MATH

And The Cradle will Rock..

The Bank of America annually sponsors academic awards presented to deserving seniors. These students during their tenth, eleventh, and twelfth years, must have completed thirty semester hours and are considered the outstanding students in their appropriate fields. They must also have an overall GPA of not less than 3.0. A faculty committee selects outstanding students in specific fields. General field winners at each school receive personally engraved achievement award plaques and become eligible for the program's competition.

Competition includes a discussion by the students and a paper written by each. To go to the finals, each contender must win in his/her zone. Final first place winners in each field earn the top award of \$2,000, with the second place student winning \$1,000. The third place finisher receives \$750. All other finalists earn \$500 awards.

The three general study fields honored are Liberal Arts, Science & Math, and Fine Arts. Outstanding students in specific fields are awarded certificates.

LOOKING TOWARDS THE SECOND HALF

Dorothy Hatfield, born in southern California, attended Redlands High School and futhered her education at Cerritos College and California State University at Fullerton. She began her teaching career here at Downey High School. She has been with us twenty years, teaching English and humanities. Her activities at Downey include: faculty representative of the D.E.A. for three years, advisor of CSF for three years, and advisor to Thespians, an honor drama society.

Mrs. Hatfield has five children, all of whom attended Downey schools. Upon retirement, she intends to travel to exciting places like the Orient, Africa, and Europe. She also plans to do more for her community of Laguna Beach. She is looking forward to free time to pick up where she left off in the arts. She enjoys playing the piano and reading for pleasure.

The most stimulating experiences she has encountered in her teaching career are the creativity and and caring about society, two things she cherished were the projectes and demonstrations presented by her students in her humanity classes.

Verla Allen was born in Coalgate, Oklahoma. She obtained her B.A. in 1942 and her M.S. in 1949 at Oklahoma State University. She taught six years in Oklahoma before coming to California in 1952. She has taught at Downey for thirty-two years. The subjects she has taught include English, math and her favorite — home economics.

Mrs. Allen feels it is the right time to retire because her husband is also retiring. She has a big family consisting of four children and eleven grandchildren. Along with being involved with her grandchildren, she wishes to catch up on everything that needs to be done. Mrs. Allen looks forward to getting

involved in such things as community volunteer work.

Born and raised in California, Eleanor Weatherford attended Washington High School in Los Angeles. She first began her career as a bookkeeper in a bank and then worked for the Old River School District in the District office for five years. She then came to Downey High and has been with us for twenty-one years. She is retiring because she feels that it is time. Extra time will give her the opportunity to travel. She has three grown children whom she will spend more time with. Her current hobbies include needlework; she hopes to make golf another.

MISS CLARK

The Academic Decathlon was held November 19, 1983 at Pioneer High School. The Academic Decathlon is held in order to promote learning in many fields and to encourage friendly competition. The ten categories which students participated in are: Science, English, Social Studies, Economics, Math, Fine Arts, Interview, Speech and Essay.

Many local schools participated in the competition and Downey did well. We pulled very high scores in Math, Speech, Essay, and Interview. The awards banquet was held at the Queen Mary on December 1.

The Academic Decathlon team would like to thank the following teachers for their support and help: Mrs. Piorior, Mr. Armstrong, Mr. Connors, Mr. Romischer, Mr. Liken, Mr. Risser, and especially Miss Clark, the advisor.

CALIFORNIA SCHOLASTIC

In order to join CSF (California Scholastic Federation), students must achieve a total of ten points on the CSF grading scale. In this scale, each "A" is worth three points and each "B" is worth one point. The classes students take must rank high academically and only the hardest workers attain CSF membership.

To become a CSF Sealbearer, a student must qualify for, and join CSF, four semesters of a possible six. Students must join between their sophomore year and graduation, and one semester must be in their senior year.

The 1983 Varsity Football team started off the season with a 6-2 victory against St. John Bosco. The Vikes lost their second game, however, with an embarrassing score of 35-6, but rebounded in their third game vs. Sante Fe with a 24-0 win. Downey evened its record to 2-2 by losing to Westminster 14-6.

The Vikings played their league opener against Paramount and marched to a score of 22-15. Downey then beat Cerritos, 21-11, but suffered a setback in their next game, losing to Lynwood 46-6.

In their battle against Dominguez, the Vikings came from behind to win 16-15. The Vikes celebrated a Homecoming victory by defeating Gahr, 27-0.

Cerritos College hosted the notorious rivalry of the Downey Vikings and Warren Bears. Despite Mud Bowl conditions, the Vikes bettered their record against Warren, adding a fourth straight victory to those of the last three years with a score of 3-0.

The 1983 Varsity Football team ended its season with a loss to Woodbridge, 31-20, in the first round of CIF playoffs, but as always, it was a successful year.

BLESSED ARE THE CHILDREN
THAT COME UNTO ME

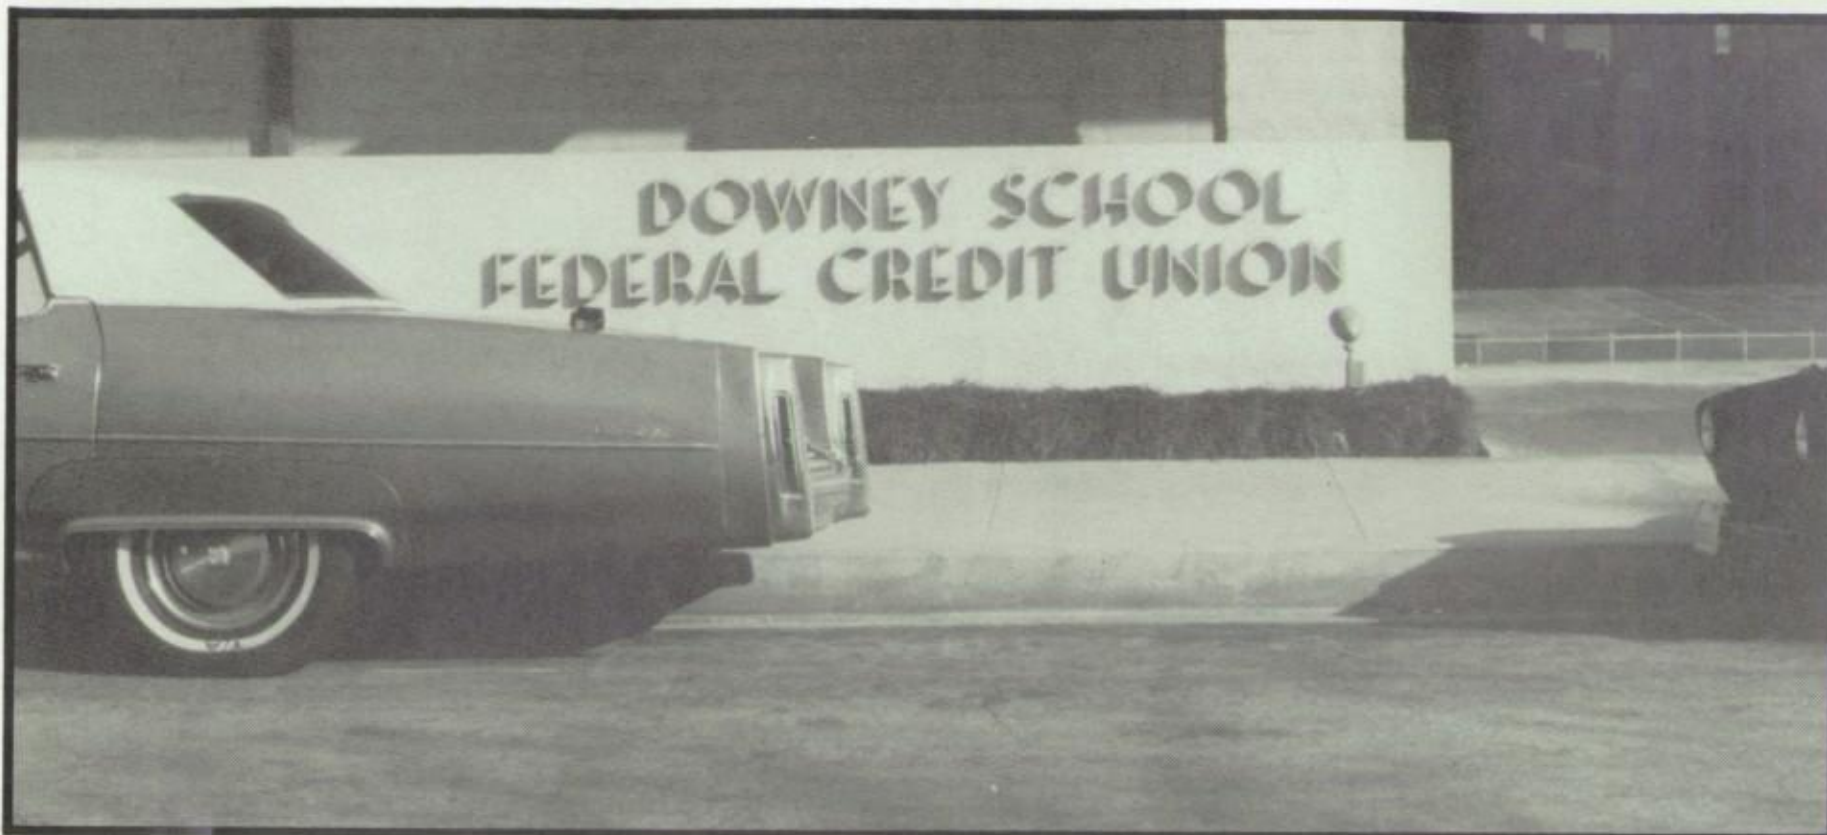

WE'LL REMEMBER

Mrs. Patricia McCarthy Tyre taught in Downey for twenty-seven years, the last eight at Downey High School. An American history teacher, she admired and respected the American ideal and devoted her life to passing that ideal on to American youth. Her sensible judgement and caring concern influenced her students in a positive manner; they will miss her. Her colleagues, too, will miss her loving nature. The universal feeling at Downey is one of great sorrow because of her untimely demise.

The All American Line-Up

For years, you've enjoyed All American Peanuts at major sporting events, and now a complete line-up of All American nut products is available at your favorite store.

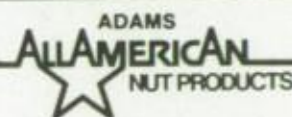

First Class Flavor that Doesn't Cost a Fortune!

At All American we select only the best nuts, then slowly roast them to perfection, adding just enough salt to bring out the natural nutty flavor you like. That's First Class flavor—and with All American, it doesn't cost any more to go first class.

In 6 oz. or 12 oz. tins or Unsalted or Regular in jars All American offers a complete line-up.

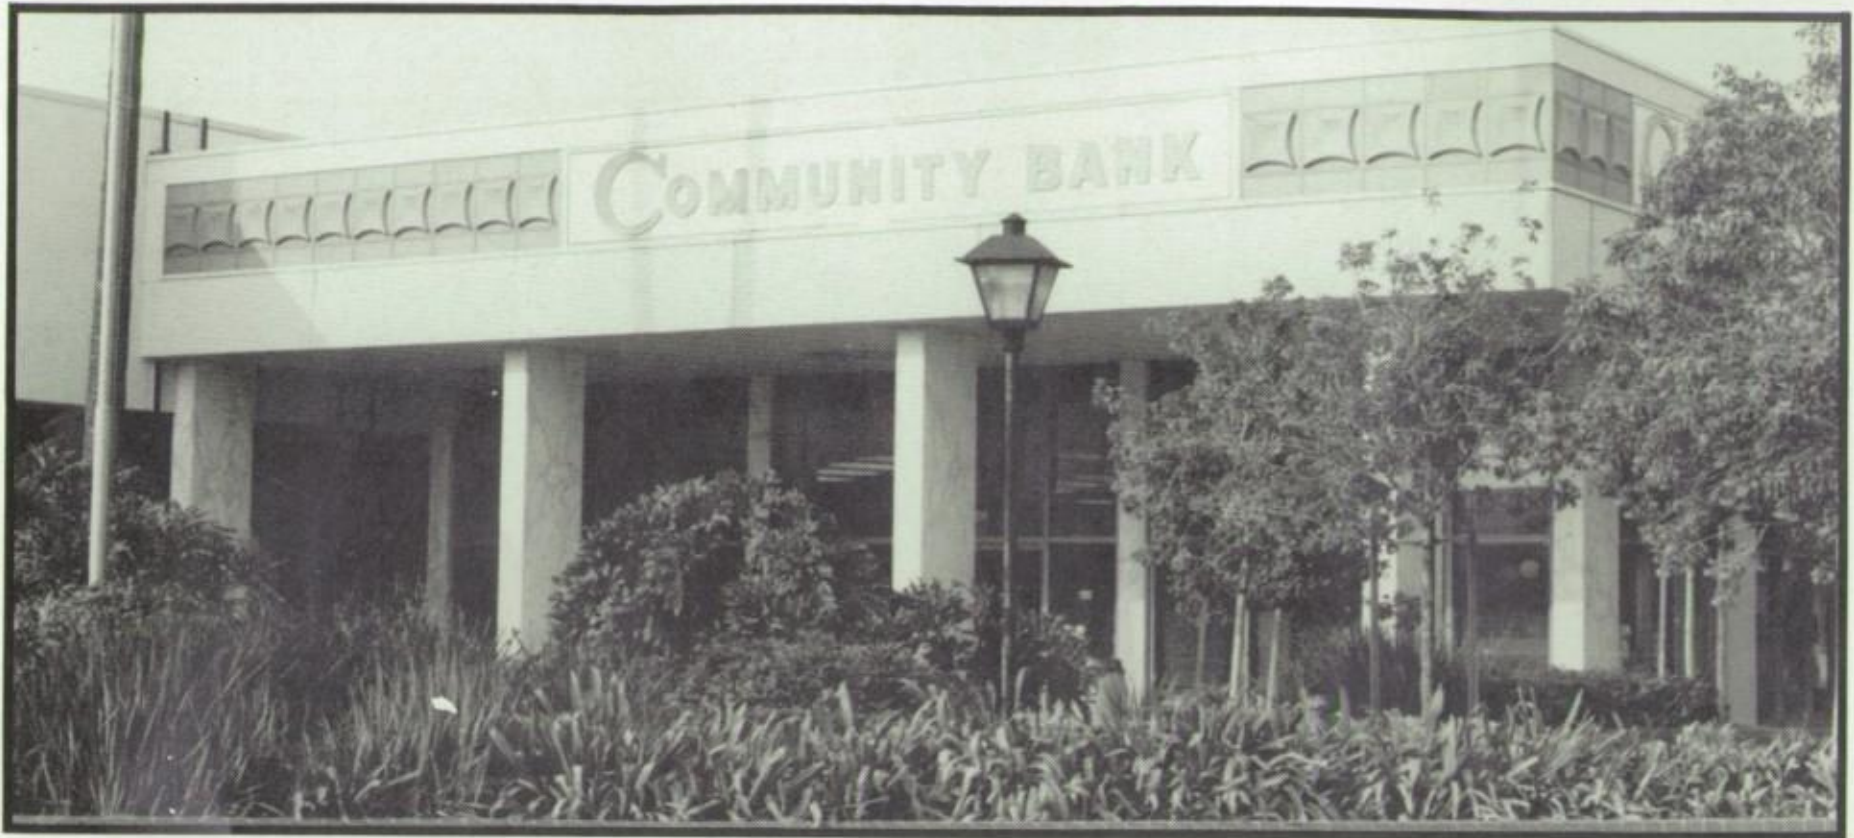

The next time you entertain—plain or fancy—family or friends—remember, it doesn't cost any more to go First Class with All American.

Our retail store has all the items we produce, in fresh supply, ready for your particular needs. The next time you entertain—plain or fancy—family or friends—remember, it doesn't cost any more to go first class with All American.
